Dear Sonny:

I have just returned from the meeting in Chicago, and I would certainly like to know whay it was called. I can't begin to tell you how I missed you people from The Grays. There was absolutely nothing done that I can see. The minuetts from the last meeting were read. In it the motion was made to set up The Committee to take care of The East West game. When I told the members how Abe was treated by Dr. Martin, (told the committe had nothing to do with the game) not one of the members said a word. Dr Martin asked them what they objected to in the way he handeled the game, and no one had any objections. Please dont have any more meetings unless some one from The Grays can be present.

The two leagues practically decided to have two more teams in each league. This will be fine, if we get the right owners for the teams. I hate to see any more no-gooders come into the baseball. I believe the cities they want to admit are Montreal and Brooklyn, in the East. I do not know what they plan in the west.

The west elected their same officers. We did not elect officers, because no one was there from the Grays except Clark.

I understand we are to have a meeting in January. I guess we will elect officers then. Are you coming East any thime befor then? If so please let us know when. If not give me a ring on the phone when you get a minuet. I hope Posey is better. Remember me to him.

Very Truly
